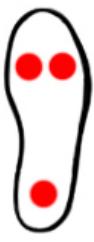

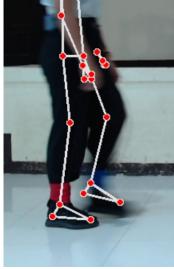

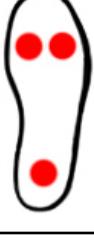

Image	Insole	Yes	No

**Phase: 2**

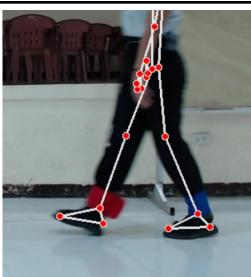

Image	Insole	Yes	No
			
			
			
			
			
			

**Phase: 3**

Image	Insole	Yes	No
			
			
			
			
			
			
			
			

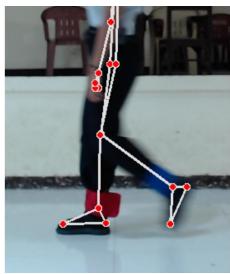

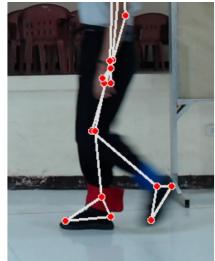

Phase: 4

Image	Insole	Yes	No
-------	--------	-----	----

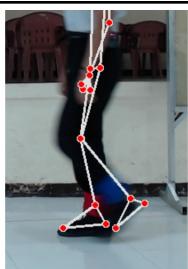

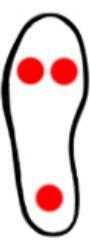

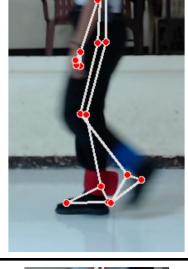

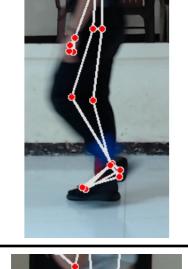

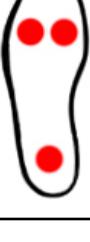

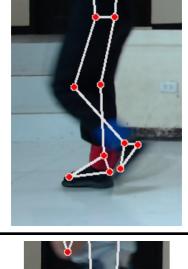

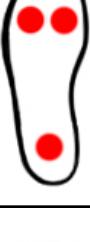

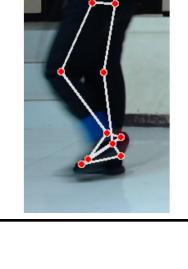

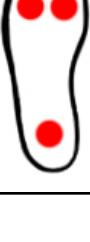

### Phase: 5

Image	Insole	Yes	No

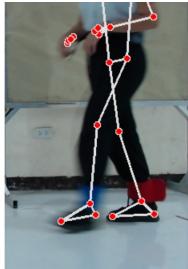

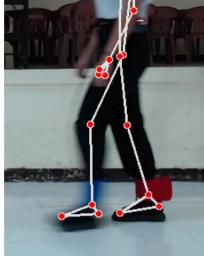

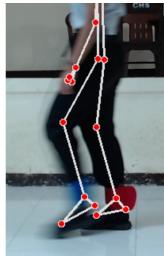

### Phase: 6

Image	Insole	Yes	No
A kinematic diagram showing the lower limbs of a person in mid-stride. Red dots mark joints at the hip, knee, and ankle, with white lines connecting them. The right foot is in contact with the ground.	A footprint outline with three red dots placed on it, indicating specific pressure or impact points during the gait cycle.
